

900mm x 900mm x 1920mm – 2 piece Shower Cubicle

The Elisha shower cubicle is a two piece unit that can be dismantled to fit through a standard doorway. With a free standing base as standard installing is quick and easy. Bolted together with stainless steel bolts and sealed from behind with silicon the Elisha is as practical as stylish. The Elisha Comes with a soap holder moulded into the right hand corner and with a low step/hob, it suits being fitted with a glass shower screen.
