900mm x 1600mm x 2000mm 1 pc Cubicle

A specialized shower cubicle which can be incorporated as entryways into clean areas and other controlled environments like isolation sheds to reduce cross contamination or introducing diseases.

Can be supplied as a walk through foot bath to clean and disinfect foot ware/gum boots. Fold up seating or foot rests can be fitted for user to efficiently clean/scrub foot ware.

Typical uses are in poultry/egg and piggery farms where shower-in policy is in place for bio-security.

Safety shower

Unique all-in-one walk through safety shower for de-contamination purposes.
