

## Standard – W (780mm - 880mm) x D (760mm - 800mm) x H 1900mm

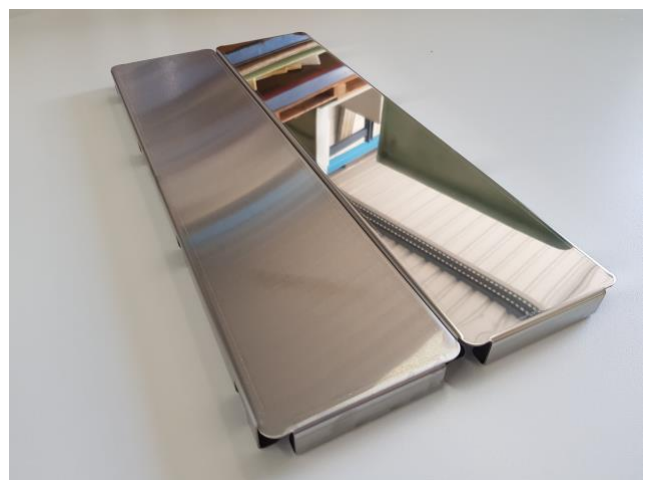

The Kitty is a small one piece shower cubicle designed for use in motorhomes/caravans and RVs. The **internal measurement is 770mm x 750mm** but the width of the shower can be cut to maximum 880mm, and the depth can be cut to maximum 800mm. This can be done to accommodate framework and/or plumbing (does not change internal measurements). The moulded slot drain is positioned on the right hand side. Any size waste outlet including a standard waste can be positioned anywhere within the slot. A custom made stainless steel drain cover is included in your purchase. The Kitty has a medium hob that suits use with a shower curtain, poly-carbonate screen or rollaway screen.

### Features

- Leak Proof 1 Piece Construction
- Free Standing Base – simply glue/batton into position
- Top and Front Return Flanges can be cut to accommodate Framework and Plumbing (Max Width 880mm, Max Depth 800mm)
- Waste Outlet can be positioned anywhere within the Moulded Slot Drain, eliminating the need for a Raised Base
- Stainless Steel Cover Plate Included (available with brushed or polished finish)
- Can be factory fitted with plumbing and fixtures to suit your requirements
- Australian Made in our factory
- 1 Year Warranty on Workmanship and Materials
