

Standard – W (910mm – 1000mm) x D 610mm x H 1920mm

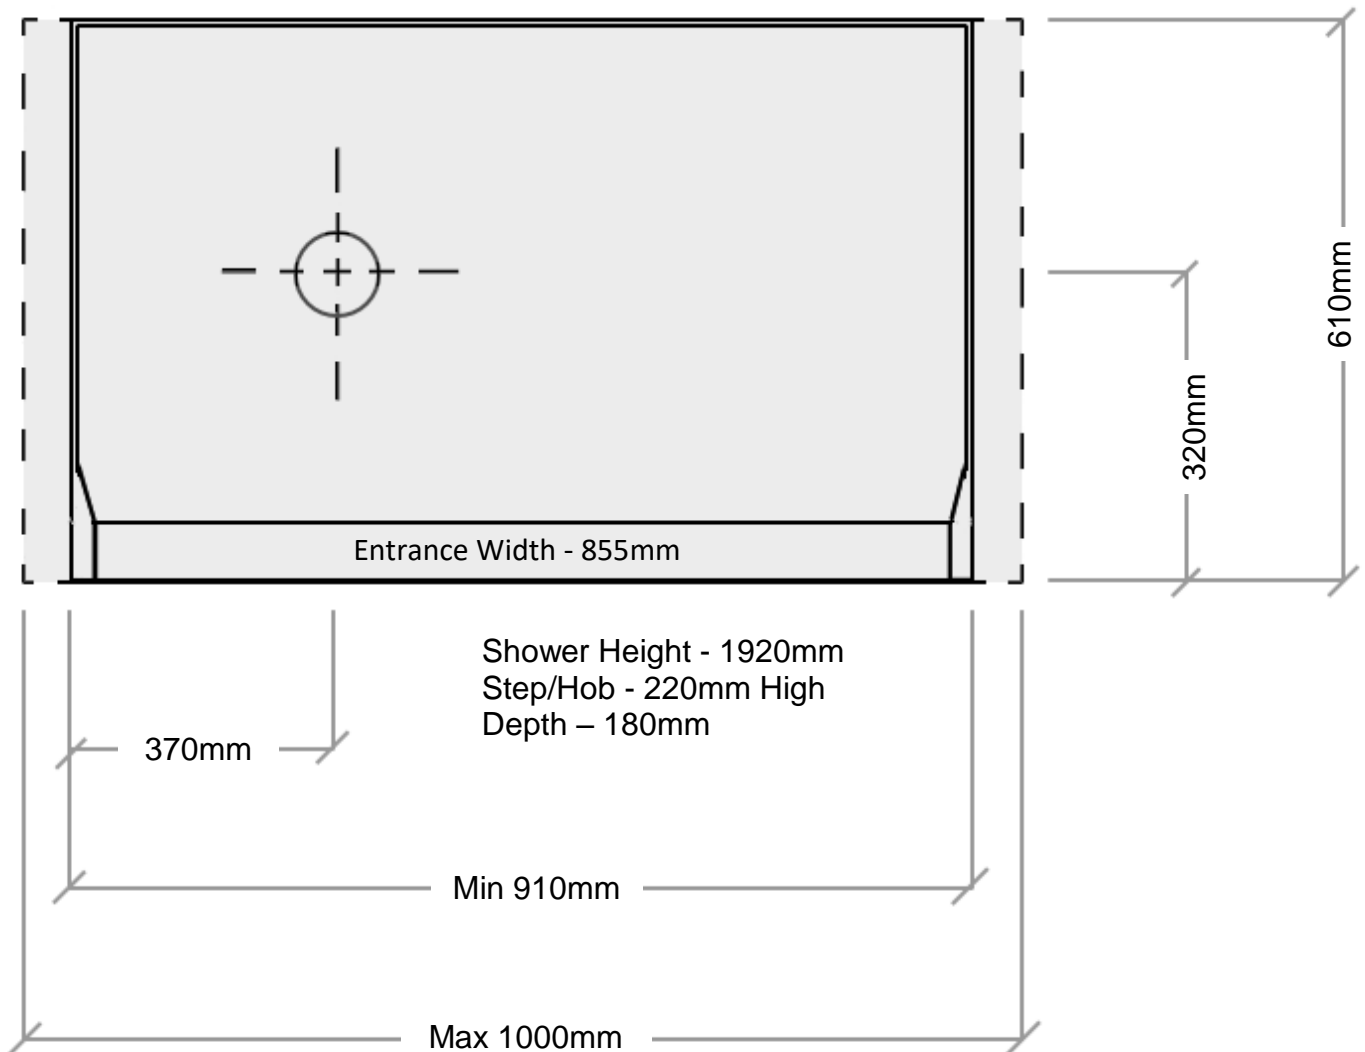

The Adele is a small one piece shower cubicle designed for use in motorhomes/caravans and RVs. It is the shallowest cubicle in our range at 610mm deep. The width of the shower can be cut to max 1000mm to accommodate framework and/or plumbing (does not change internal measurements).

The Adele has a medium hob that suits use with a shower curtain, poly-carbonate screen or rollaway screen.
